Elder Abuse Prevention Ontario (EAPO)

MISSION

EAPO envisions an Ontario where ALL seniors are free from abuse, have a strong voice, feel safe and respected.

ACTION

Building that requires raising awareness, delivering education and training, working collaboratively with like-minded organizations and assisting with service coordination and advocacy.

Canadian Network for the Prevention of Elder Abuse (CNPEA)

MISSION

CNPEA connects people and organizations, fosters the exchange of reliable information, and advances program and policy development on issues related to preventing the abuse of older adults. We do this work at the local, regional, provincial/territorial, and national levels..

VISION

We envision and work toward a Canadian society where older adults are valued, respected, and live free from abuse.

We strive to be the Canadian leader in our field—sharing information and coordinating resources for the prevention of elder abuse.
