The scene is decorated with various natural elements: a large white crystal in the top left, a green chrysanthemum flower in the top left, a yellow pom-pom flower in the middle left, a large white crystal in the bottom right, a green chrysanthemum flower in the bottom center, and several sprigs of green cedar or juniper branches scattered around. # Canadian Network for the Prevention of Elder Abuse (CNPEA)

## MISSION

CNPEA connects people and organizations, fosters the exchange of reliable information, and advances program and policy development on issues related to preventing the abuse of older adults. We do this work at the local, regional, provincial/territorial, and national levels.

## VISION

We envision and work toward a Canadian society where older adults are valued, respected, and live free from abuse.

We strive to be the Canadian leader in our field—sharing information and coordinating resources for the prevention of elder abuse.

# Speaker

Stephanie spent most of her profession with the Community Care Access Centre where she adored working with seniors and the vulnerable. As time passed, she realized this was something that was a necessity.

Stephanie started working with the Ministry of the Solicitor General at the Freedom of Information office in 2017. A few years passed and Stephanie realized that she missed helping the vulnerable population and applied to be a Call Taker at the Canadian Anti Fraud Center.

Being able to help is very rewarding, people are so grateful and this makes her heart smile. This past April the CAFC requested she be the Senior Support Unit Coordinator at the CAFC as she was the right fit for the position. Within a few short months Stephanie was promoted to this position on a full-time basis.
